

PROFILE

Industrial engineering graduate (Istanbul Bilgi University, June 2026), curious about why some brands win at the point of sale. Analytical and versatile: three internships in marketing, product and manufacturing, and a share of the department's Best Senior Design Project Award. Seeking a trade marketing, category or analyst role that turns data into decisions.

EXPERIENCE

Mar-Jul 2025	Marketing Intern, De Marke Agency - Contributed activation ideas (VAR Room, Unity Jersey) to the Carlsberg UEFA project. - Worked in the PR team on site at the UEFA Nations League Finals and UEFA Women's EURO 2025. - Wrote monthly KPI reports and plans for large social media accounts (up to 115K followers).
Jan-Feb 2025	Product Intern, BTCTurk Technology - Benchmarked the BtcTurk app screen by screen against leading Turkish and global exchanges. - Turned self-custody, DeFi and airdrop gaps into proposals for the product team. - Built dashboards and market-trend reports; analysed why regulation bars margin trading in Turkey.
Jun-Jul 2024	Engineering Intern, Toyota Motor Manufacturing Turkey Sakarya - Learned TPS on the gemba (JIT, Kaizen, Kanban), following parts from dock to line-side supply. - Developed a Kaizen idea with two fellow interns into a project and presented it to management.

PROJECTS

2025-2026	Senior design project, ÖRS Textile team of 5 • award-winning - Traced most scrap to three causes (Pareto); preventive maintenance more than halved needle costs. - Co-built the business case for a yarn moisture meter: about 800% ROI, paid back in about 40 days. - Cut labelling time per piece by 43% with MTM; re-slotted the warehouse by ABC in a digital twin.
2026-present	Co-founder, TAB Marketing tab-marketing-site.vercel.app - Spotted that venues had no simple way to hear from guests; co-founded TAB with two friends. - Win and run 15+ on-trade (HoReCa) accounts, all self-sourced, from first contact to installation. - Deliver 250+ custom in-venue pieces, from NFC/QR review stands to feedback cards, menus and print. - Manage supplier production and on-site installation; build client sites such as francoserdivan.com.

EDUCATION
